

AVE´MARIA

In the moments together we two lovers  
go out walking, walking to a shrive  
on top of the hill

Everything we do we do together  
no matter whether there the small things  
or the big things so we will share  
singing a pray

Give me your hand dear  
no ask me stand here  
pray that our love latst for ever  
may we never wonder or wish for anything more

The joy of living  
is in the giving  
so we give our love  
avéMaria

The joy of living  
is in the giving  
so we give our love

Refr; Ave Maria 2x  
love that will last for ever  
never to vanish not ever
