

Some say love, it is a river  
 That drawned the tender reed  
 Some say love, it is a ra ser  
 That leeds your soul to bleed  
 Some say love, it is a hunger  
 An endless aking need  
 I say love, it is a flower  
 And you, it's only sead | F |

It's the heart afraid of breaking  
 That never learns to dance  
 It's the dream afraid of waking  
 That never takes the chance  
 It's the one who won't be taken  
 Who cannot seem to give  
 And the soul afraid of dying  
 That never learns to live | F |

When the night has been too lonely  
 And the road has been too long  
 And you think that love is only  
 For the lucky and the strong  
 Just remember in the winter  
 For beneath the bitter snows  
 Lies the sead that with the sunslope  
 In the spring becomes the rose
