wor - ry - us I want to learn, the Se - crets of the u - ni - verse ^{softly} and she was

(long)

cal - ling me back through the years dea - ding me on through the years cal - ling me

Back through the years — and she was cal - ling me back through the years, dea - ding me

on through the years, cal - ling me Back through the years — *pp* oeh song

wha pa oeh — wha pa oeh — I'm ne-ver gon-ne-find —

the ans-wei the ans-wei it's ne-ver gon-ne be — E - scac-ly what I hoped —

it was but it's good e-nough for me — wha pa oeh — wha pa oeh — wha pa oeh — wha pa oeh — I ne-ver know just

when she'll come but when she does to hev I'll run For she's the key to

ci-ha-ha songers ci-ha-ha Eve-ry-thing I e-ver hoped for, *sup* and she was cal - ling me back through the years
