

Through the years

(oe) - - - - - (ah) - - - - -

I Like that girl she's cal - ling me (oe) - - - - - I Like that girl she's cal - ling me

I met a girl who was -n't quite right (ie) She band-ied all a-

Lone in the night She un der-stands The past, pre-sent and the Fu - ture

she takes me back To where I was then and Leads me on a - gain and a - gain

I'm hap - py now and I owe E - very - thing to - her and she was cal - ling me

back through the years, sea - ding me on through the years, cal - ling me back through the years

I want to be o - bli - vi - - - - ous To all the things, That

wor - ry - us I want to learn, the Se - crets of the U - ni - - - - - verse and she was

cal-ling me back through the years

and she was cal-ling me back through the years

On through the years, cal-ling me

I'm ne-ver gon-na find

the ans-vev it's ne-ver gon-na be

it was but it's good e-nough for me

when she'll come but when she does

Eve-ry-thing I e-ver hoped for
