

Yah mo be there

you can count on it broth-er
 cause we all
 up and o-ver you up and o-ver you
 yah mo be there
 yah mo be there
 yah mo be there

name his name
 yah mo be there
 yah mo be there
 yah mo be there
 up and o-ver you up and o-ver you

Long hard road that leads to a bright-er day
 don't let your newt grow cold just reach out and call his
 name
 just run from the dark-ness look-ing for the light
 Cause it's a
 night

up and o-ver
 yah mo be there
 ne-ver be lone-ly lost in the
 when e-ver you call
 up and o-ver you up and o-ver you

name yah mo be there
 yah mo be there
 yah mo be there
 up and o-ver you up and o-ver you
 so if you back runs low just reach out and call his name
 his

oh-er and give nobb-ing at all
 well it's a dog-gone shame out ne-ver too late for change
 we take from each
 wab-ching-us fall
 Hea-ven-ly fath-er
 up and o-ver you up and o-ver you

up and o-ver you
yah mo be here
yah mo be here
yah mo be here

reach out and call his name
his name yah mo be here
yah mo be here

dog-gone shame, but ne-ver too late for change
I do when your luck runs low just

ma-ny dreams slip a-way
yah me be here

peo-ple got to keep push-ing on
just a-in-ding our way

Eva-wal in time
no mat-ter how
